Website Design

Homepage

This is the Homepage. In the Menü take Result Page out. Just Home, About us and Contact us.

Das ist die suchleiste, die die User auf die "Result Page" weiterleiten, nachdem die User Tagnumber eingegeben haben.

Hier soll ein Aufklärungs Video abgespielt werden. Das Video wird aber erst erstellt, wenn die Seite fertig ist.

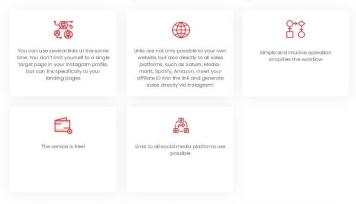

About Us

Generate direct website traffic with Instagram

Generate direct website traffic with Instagram instagram is a wonderful platform to reach your target group with high quality images and to win fans for your brand. Only direct traffic to your own website can hardly be achieved with Instagram, because there is no possibility to set links in the articles. This dilemma is over now, because we offer the linking from every single article Increase your reach AND attract visitors to your website!

Advantages of linking to Instagram

Hier soll Google Werbung abgespielt werden.

PRØVIDENT LOW PRICES & FREE SHIPPING **Out Trusted Partners**

Die Trust Partner sind nur ein Beispiel. Füg die erstmal so ein, ich werde die dann im Nachhinein ändern.

About Us

Generate direct website traffic with Instagram Instagram is a wonderful platform to reach your target group with high quality images and to win fans for your brand. Only direct traffic to your own website can hardly be achieved with Instagram, because there is no possibility to set links in the articles. This dilemma is over now, because we offer the linking from every single article! Increase your reach AND attract visitors to your website!

Advantages of linking to Instagram

You can use several links at the same time. You don't limit yourself to a single target page in your Instagram profile, but can link specifically to your landing pages

Links are not only possible to your own website, but also directly to all sales platforms, such as Saturn, Mediamarkt, Spotify, Amazon. Insert your affiliate ID Into the link and generate sales directly via Instagram!

Simple and intuitive operation simplifies the workflow

The service is free!

Links to all social media platforms are

News

This is the page after Login.

Hier soll angezeigt werden, wie viele Posts der User gemacht hat und wie oft seine Tagnumber insgesamt aufgerufen wurde.

Diane Kruger
28 Sep 2019

FIFTY DAYS until #DianeFilm hits cinemas around the globe, telling the story of the EI Dorado World Tour! Find your local screening and book tickets at Shakira.film now!

Hier sollen erstmal wichtige Nachrichten von der Firma gepostet werden oder wenn es Angebote gibt.

Und die eigene Post vom User sollen hier angezeigt werden.

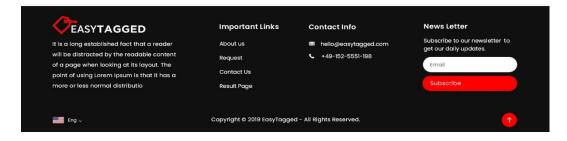

Hier sollen die Plattformen angezeigt werden, die bei Profil gespeichert wurden.

Result Page

Das ist die Ergebnis Seite wo die User landen, nachdem Sie eine Tagnumber in die suchleiste eingegeben haben. Ich habe jetzt die zwei zu Auswahl und weiß nicht, welche ich nehme soll. Mach mir bitte beide und ich werde im Nachhinein entscheiden, welche besser ist.
